

# A-Flex System

Your perfect choice that combines flexibility and value

## A-System

The perfect combination of flexibility and value

**A-Frame** System provide economical solutions for your storage components and desk-space. Table frames are available in two working heights **750mm** or **900mm** to adapt to personnel, equipment and procedures in your lab.

**Storage Cabinets** are available in suspended units. Reagent shelf or Service bridges can be used to provide chases for major services such as water, gas, vacuum, electricity or data outlets above the work surface.

**Benches** can be up to **1400mm** deep for Island benches and up to **700mm** for Wall benches, Table frames are constructed from heavy duty steel tubes.
